# Memo

**To:** All Clubs  
**Date:** 11/06/2009  
**Subject:** 09-49 – Football Brisbane Position on Swine Flu

---

Dear All

Football Brisbane's current position on the Swine Flu situation is to heed the advice of Queensland Health. At this stage, training and playing activities will continue as normal. In the event that junior players attend a school that is closed due to the virus, only those who have been placed in isolation cannot participate, all others in the school are permitted to train and play club football unless they, in turn, become ill.

Should circumstances and/or advice from Queensland Health change, the Zone Council will keep clubs up to date.

Regards
